

I have regret for what I have done

I have regret for what I have done
Because of the position I am in now
Being on tag, having an ASBO and being on an Order to the YOT
I'm not proud of it
I'd rather be known as a good person
Someone who looks out for others,
Caring and kind
I've lost the respect of my parents and other people in my life

The people that I've offended against
Did not deserve what happened to them
Feelings of shock anger and upset
Feelings that will stay with them for a long time
They must think I am an idiot
A waste of space
I wish I could make it up to them
I know that it is not just about paying compensation
I want them to know I am sorry for what I did
I want to try and make it better

I need to stop acting like an idiot
Prove to my parents I can behave
Get a job, settle down
Stop hanging around with my 'bad' mates
I don't drink on the streets anymore
Or take drugs at all
Don't hang around in places where I know I'll get into trouble

It's not easy changing
Especially when my mates still call for me
It's going to take some time
But I need to stay upbeat
With the help of my girlfriend,
My parents and people that care about me

I've got too much to lose
Everything I have worked so hard for
My Girlfriend, my family
Ultimately I know I could lose my freedom
And THAT is too much to lose
